

Overview

Amid the largest and fastest growing economy in the world, businesses inside China have significant interests around the globe, and companies everywhere have significant interests inside China.

With Dentons, domestic Chinese businesses have a home-grown partner as they expand globally, and international businesses receive the local Chinese capabilities they need across the country.

Our China offices include a wide-range of practices:

- litigation and arbitration
- general corporate
- criminal defense
- securities and capital market
- mergers and acquisitions
- state-owned enterprises reform and bankruptcy
- banking and finance
- mining and energy
- real estate and construction
- intellectual property
- infrastructure and project finance
- telecommunications, entertainment and media
- labor law
- taxation
- international trade and foreign investment

Our innovative model brings proficiency and presence in the largest number of locations across China to serve clients of all sizes. Dentons' global presence and local capabilities help fulfill your business objectives. Our integrated legal team gives you a competitive edge, wherever your business takes you.
