

Overview

As the third largest economy in the Eurozone, there is a wide range of business activity in Italy. In today's challenging economy, and with the country recovering from recession, your transactions and projects are best guided by an established and trusted advisor who will help you grow and succeed.

Italy is known for its innovative and creative businesses, and our lawyers have been supporting local and international clients in the country for almost two decades. The team will provide you with access to a comprehensive array of legal support across a broad range of sectors and practices to help you manage the prevailing economic conditions, grow and succeed.

With practice groups dedicated to specific areas of business law, backed by an unmatched global team, you will benefit from market-leading advice precisely tailored to your needs. Whether conducting business inside Italy or on an international stage, draw upon our global team to give you sophisticated, quality solutions.

Our team of lawyers will provide you with effective and innovative solutions in the following areas:

- Banking and Finance
- Capital Markets
- Competition and Antitrust
- Corporate M&A
- Employment and Labor
- Energy
- Financial Services
- Intellectual Property and Technology
- Litigation and Arbitration
- Privacy and Cybersecurity
- Public Policy and Regulation
- Real Estate
- Restructuring, Insolvency and Bankruptcy
- Tax
