

Overview

The Netherlands is the sixth largest economy in the European Union and a global financial center. As the fifth largest exporter of goods in the world and a major European transportation hub, it is also a center for international trade. Due to its business-friendly climate and favorable tax regime, the Netherlands is an attractive location for corporate headquarters and for structuring international transactions.

Dentons Boekel is a quality full-service legal team with a 60 year history in the Netherlands. Our Amsterdam office is based in the prestigious Amsterdam Zuidas business district.

Drawing on Dentons' legal talent around the world, we provide industry-focused legal advice to assist Dutch and international clients in all aspects of their business operations, transactions and litigation.
