

## Overview

Unprecedented growth since our opening in September 2007 has propelled the Doha office of Dentons into one of the largest international law firms in Qatar. Our lawyers know the landscape and are highly experienced in the intricacies of doing business here.

When you engage us, you gain a proven ally. We have acted on many of the major energy, project finance, finance (Islamic and conventional), telecommunications and media, and corporate deals undertaken in Qatar in the last few years, and served as legal advisor to the successful Qatar 2022 Bid Committee. Collaboration is key to our partnership with you.

In addition to our wide-ranging experience, you also benefit from our professional associations. We work closely with major Qatar decision-makers and institutions to ensure you can move your business forward in Doha.
