

Overview

Dentons bridges cultures and markets to deliver a full-service solution across the CIS.

With cross-cultural experience and a transactional track record starting in the 1970s, Dentons offers you one of the most extensive CIS practices. Our offices in Russia, Ukraine, Kazakhstan, Uzbekistan, Georgia and Azerbaijan are supported by a team of dedicated multilingual lawyers based in key financial and political centers, including Frankfurt, Berlin, Paris, Brussels, London, New York and Washington. In the CIS countries in which we do not have offices, including Armenia, Belarus, Kyrgyzstan and Moldova we enjoy close working relationships with leading local law firms.

Whether you are a Fortune 500/Global Fortune 100 international company or financial institution, private equity fund, start-up, state-owned company, international financial institution or a not-for-profit organization, Dentons can advise in connection with your business, investments and operations in CIS countries. We also advise fast-growing companies as well as high-net-worth individuals from Russia and other CIS countries in connection with local and cross-border transactions.

To address all your transactional and advisory needs, our practice covers the full range of corporate, tax, banking and finance, real estate, competition, employment, energy, mining, intellectual property, and litigation and arbitration matters.

Dentons can give you a recognized depth of global and domestic expertise and a breadth of representation backed by solid working relationships with regional firms and local and federal governments. Our team's experience spans sectors including automotive, aviation and aerospace, energy, entertainment and sports, financial institutions, forest products and agribusiness, hotels and leisure, infrastructure and PPP, life sciences, luxury, fashion and beauty, media, mining, retail, technology and telecommunications.
