

Overview

Our three offices in Scotland, complementing our presence in London, Milton Keynes and Watford, enhances our ability to offer seamless capability throughout the UK. Our sectors of specialism provided in Edinburgh are banking and finance, capital projects, commercial dispute resolution, construction and engineering, corporate, employment and pensions, energy and natural resources, EU, competition and regulatory, financial services, food and drink, housing and care, IP and technology, planning and environmental, private client and charities, property, public sector, and tax.

Our Edinburgh office is situated on the edge of the Meadows within the Quartermile development with views over Edinburgh Castle and the Pentland Hills. It is a short walk from both Waverley and Haymarket stations.
