

Overview

"This international firm has established a weighty presence in Milton Keynes. Clients were particularly impressed by the competitive rates on offer, commenting 'It's great – you get City people and City calibre at Milton Keynes prices'." *Chambers and Partners.*

Overview

Since 1987, Dentons' Milton Keynes office has provided City-quality advice at competitive regional rates. We provide pragmatic, strategic advice to local, national and international clients. Our team takes the time to understand each client's business needs and aims so that we can deliver the high-quality, commercially focused legal advice you need.

For some local clients, the Milton Keynes office is all they need. Other clients value our ability to draw on specialist advice from our London office (for example on tax or competition law) or the opportunities presented by our global geographic reach. While our global scale allows us to find the right people and the right capabilities for your needs, our local presence in Milton Keynes is key to us finding the most cost-effective solution for those needs and driving real value for your business.

Our commitment to Milton Keynes

We are proud to be part of a major international law firm ranked in the top 20 legal brands in the world. And we're equally proud to be part of the business community in Milton Keynes. For more than 25 years, the firm has been committed to Milton Keynes, recently rated the best place to do business in the UK by the Business Location Index. Historically, our lawyers helped to advise on the development and construction of Milton Keynes as a new town. Today, Dentons continues to build its presence in Milton Keynes as the area grows and attracts inward business investment.

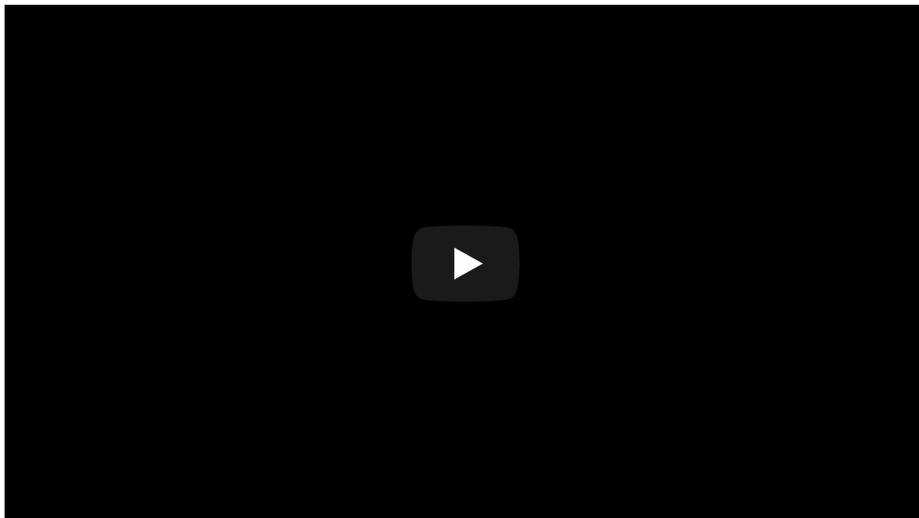

That commitment to the community in which we work doesn't stop at the office door. Our staff regularly give up their time to make positive contributions in the local area. Alongside our community partner, Community Action: MK, Dentons lawyers provide free legal advice to community groups in the Milton Keynes area. Our staff participate in a literacy programme at a local primary school; participate in a project with another local partner to help young people in the area into work; and fundraise throughout the year for our chosen local charities such as MK SNAP, Dogs for Good and MK Bowel Cancer Trust.
