Overview

Dentons has partnered with US-based clients for more than a century—helping global brands protect and expand their market positions and small businesses grow into market leaders. As our clients have grown into new markets or adopted new business models, we have responded, expanding our capabilities to meet your needs. Our 33 US locations are home to some of the most skilled and seasoned lawyers and professionals in the nation and each one is fervently committed to one purpose—helping you meet your goals.

The legal, business and policy climate in the US is growing more complex all the time. That’s why Dentons goes above and beyond in addressing a client’s immediate needs. We forge long-term relationships with our clients, providing vital expertise and insight to guide you through any challenge, and helping you pursue and succeed in every opportunity. Our lawyers and professionals are true partners with our clients. We are attuned to your business needs, and we work together to address legal and business issues that help clients pursue the path that best supports strategies. As your business changes, we change ours as well.
