

Dentons Baku publishes the 2014 edition of its Doing Business Guide

DENTONS

May 27, 2014

The Baku office of Dentons has recently published the eighth edition of its doing business guide, "Succeeding in Azerbaijan," which represents the collective knowledge and experience of our firm after many years of advising clients in Azerbaijan.

The Dentons guide is general in nature, intending to highlight some of the principal issues of interest to those present in this market. For companies and financial institutions considering an activity in Azerbaijan it serves as a good, practical introduction to the legal and business environment in the country. This edition is very much a group effort on the part of the rapidly growing Dentons team in Baku. It will be officially launched at the Dentons Baku annual client breakfast briefing during Caspian oil & gas week at the beginning of June.
