

MiFID II – EU market access for non-EU portfolio managers

DENTONS

July 5, 2017

As of 3 January 2018, the Markets in Financial Instruments Directive II (MiFID II) will provide for a new regime for non-EU portfolio managers to access the EU market.

In this briefing, our lawyers highlight some of the major challenges and uncertainties non-EU portfolio managers need to deal with under the upcoming German MiFID II implementation.
