

# Enforcement of Judgments and Arbitral Awards – United Arab Emirates

November 1, 2017

Members of Dentons' Middle East Dispute Resolution practice contributed the UAE chapter to the Global Guide on the Enforcement of Judgments and Arbitral Awards, published by Thomson Reuters Practical Law.

Now in its third edition, the guide provides an important overview of the legal particularities of 28 jurisdictions in connection with the enforcement of judgments and arbitral awards.

In the UAE chapter, Matthew Showler and Suzannah Fairbairn provide a brief overview of the current and rapidly evolving local regime, including insight in relation to the use of the DIFC courts as a conduit jurisdiction as well as the establishment of the Judicial Tribunal.
