

# Retail: country-by-country summary of the impact of COVID-19

DENTONS

March 30, 2020 (Updated on April 27, 2021)

## View the summary

The retail sector has been suffering greatly during the COVID-19 pandemic. The legislation is changing almost on an everyday basis and Dentons is here to help you stay in the loop about these changes.

Please click the link above to view our country-by-country summary of certain aspects of COVID-19's impact on the retail sector.

If you have any concerns or suggestions regarding how Dentons can help you at this time, please contact our global taskforce.
