

# Moscow to give shopping center owners city budget grants to pay property and land tax

May 19, 2020

On May 13, 2020, the Moscow Government adopted Resolution No. 574-PP (Resolution 574) which introduces city budget grants for owners of shopping centers, food service and consumer services facilities and hotels located in Moscow. **The grants will be used to pay property and land tax (or land rent).**

We would like to highlight some of what we believe are the most interesting aspects relating to **shopping centers**.
