

Doing Business in Papua New Guinea

大成 DENTONS

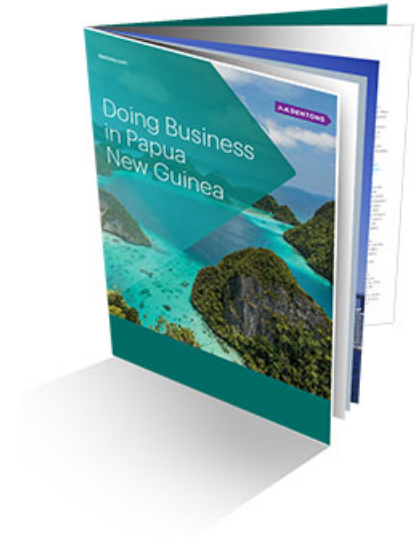

February 2017 (Updated September 2020)

Doing Business in Papua New Guinea has been designed to assist you in exploring investment and business opportunities in Papua New Guinea.

In this publication we address the most common questions asked by investors, provide an introduction to the most relevant areas of law, and outline the regulatory frameworks operating in PNG.

Please do not hesitate to contact Dentons' Port Moresby office if you have any questions or would like a briefing on any of the areas covered in the guide.
