Consilium advances the adoption of proposed EU Directive on credit servicers, credit purchasers and the recovery of collateral – what now?

Smart entertainment, privacy and the media industry

How US federal cannabis legalization would affect US immigration laws

Examining California's Recent "Slack Fill" Law and Litigation

Consilium advances the adoption of proposed EU Directive on credit servicers, credit purchasers and the recovery of collateral – what now?

April 16, 2019

This Client Alert assesses the most recent updates on the Servicing Directive and the merits of the discussion outlined in the "progress report". One should read this Client Alert, and any updates to it, in conjunction with the July 11, 2018 alert assessing the impact of the proposed Servicing Directive.

Smart entertainment, privacy and the media industry

April 12, 2019

If you are looking forward to a future where you will be able to choose what the main character does next in a movie or TV series, that future has now arrived.

How US federal cannabis legalization would affect US immigration laws

April 10, 2019

During the 115th United States Congress, several Bills were introduced to legalize marijuana at the federal level. However, when the 115th United States Congress ended on January 3, 2019, these three Bills (collectively, the

Congressional Bills) died.

Examining California's Recent "Slack Fill" Law and Litigation

April 5, 2019

On September 19, 2018, (former) Governor Jerry Brown signed Assembly Bill 2632 into law, creating new safe harbors and presumably making it harder for plaintiffs to successfully pursue "slack fill" lawsuits in California.
