Public Policy/Regulatory developments in Zimbabwe

January 31, 2019

The Public Private Partnership Act No. 19 of 2010 (the Act) is the principal act made for the purpose of providing an institutional framework for the implementation of public private partnership (PPP) agreements. The Act outlines the rules and procedures of the procurement process and development of public and private sector partnerships.

Smart (flying) objects above our roof: the U-space project

January 22, 2019

Drones are a growing business in Europe, delivering services in all environments, including urban areas. Drones' utilization likely will increase not only in military, business and emergency fields but they are likely to become a part of our everyday life.
