

Episode 60: Using the power of networking to overcome loneliness in entrepreneurship

DENTONS

March 13, 2024

Join **Heather Barnhouse**, Partner in our Edmonton office, as she explores women in leadership and entrepreneurship, and the ecosystem that supports them. In episode 60, Heather speaks with **Alexis Dean**, Founder of Dovetail Community, about the challenges of navigating entrepreneurship alone. Together, they dive into the power of networking and what it can provide for women in business.

In this inspiring discussion, Alexis takes us on her own entrepreneurial journey; from the beginning stages of community building, to what is now a vibrant network of women reaping the benefits of mentorship, education, and real connection.
