The TFSA program began in 2009 and was established as a way for Canadian individuals 18 years of age or older to set money aside and invest it tax free throughout their lifetime.

## Episode 9: Canadian Emergency Wage Subsidy program update

July 28, 2020

The Dentons Canada Tax Insights Podcast is a series we've launched to keep you up-to-date on economic and tax related measures that are being announced by the Government of Canada. In this episode, we recap the Canada Emergency Wage Subsidy program and look at the recent updates announced by the finance minister in July.

## Episode 8: Litigation in the time of COVID-19

May 5, 2020

**Canada:** Court closures due to the various emergency and health measures across Canada have forced litigators to become more innovative on how they move matters forward. For this episode, we look at how extraordinary circumstances are rapidly changing court procedures and forcing the legal community to look at innovative ways of moving disputes towards a resolution.

## Episode 7: Opportunities for small businesses

April 22, 2020

**Canada:** The *Tax Insights* podcast is a series we've launched to keep you up-to-date on Canadian economic and tax related topics related to the global pandemic. In this latest episode, we look at two tax planning tools, estate freezes and re-freezes, as a potential way for Canadians to utilize tax planning measures to take advantage of current market conditions.

## Episode 5: The Latest Update on the Canada Emergency Wage Subsidy Program

April 8, 2020

**Canada:** On April 8, 2020, the Federal Government announced more changes to the Canada Emergency Wage Subsidy (CEWS) program in an effort to combat the economic impact of COVID-19 and to expand access to the subsidy.

**Episode 4: Serious illness and death**

April 3, 2020

**Canada:** In this fourth episode, we shift from economic updates and look at the human impact of COVID-19 and why doctors are urging Canadians to plan ahead with their family for serious illness and end-of-life decisions, as the toll from COVID-19 builds across the country.

### Episode 3: Canadian Emergency Wage Subsidy program details

April 2, 2020

**Canada:** The Tax Insights podcast is a series we've launched to keep you up-to-date on economic and tax related measures that are being announced by the Government of Canada. In this third episode, we discuss the details that were just released on April 1st regarding the 75% wage subsidy program announced by the Prime Minister earlier this week.

## Episode 2: Federal wage subsidy announcement

March 31, 2020

**Canada:** The Tax Insights podcast is a series we've launched to keep you up-to-date on economic and tax related measures that are being announced by the Government of Canada. In this second episode, we discuss the announcement made by Prime Minister Trudeau on March 30 regarding the increased wage subsidy program to address the challenges business across the country are facing.

## Episode 1: Economic support measures

March 27, 2020

**Canada:** The Tax Insights podcast is a series we've launched to keep you up-to-date on economic and tax related measures that are being announced by the Government of Canada. In this first episode, we discuss tax filing deadlines, key interest rate cuts and small business support measures announced by the federal government.
