

Overview

Welcome to *Vox Tax*, a series of Dentons global reports dedicated to the most pressing tax matters facing CEOs, CFOs, general counsel and tax directors. Issued periodically throughout the year, *Vox Tax* reports put you in touch with tax experts around the world. Each edition focuses on a key current topic in the areas of international tax law and tax planning. A detailed analytical report and a series of free, interactive webinars collect the local, seasoned expertise of tax practitioners in every jurisdiction we cover. Engage with specialists and colleagues to gain information and insight on the issues impacting businesses of all sizes, everywhere in the world.

Our *Vox Tax* series—titled after the Latin *vox*, meaning voice—lives up to its name. We give you a voice in the tax conversation, and let you hear the voices of others in the know.
