

A premier national government affairs network

Dentons 50 connects clients with public policy strategists in statehouses across the United States.

Dentons 50, a full-service, 50-state public policy and advocacy network, offers unrivaled reach and depth in state capitols across the nation for clients in all industry sectors. Dentons 50 is a comprehensive, centralized resource for businesses with complex, multistate policy matters.

Built on Dentons' already-strong state and local government affairs practices, and comprised of professionals with local expertise managing policy issues in centers of power at the state and local levels, Dentons 50 leverages top-tier government and public affairs resources to offer project management and on-the-ground support of multistate public policy and advocacy matters. Dentons 50 is a force multiplier—offering clients the ability to quickly mobilize, organize and activate public policy campaigns, and providing bespoke nationwide legislative tracking; visibility and relationship-building in new markets; and real-time analysis of state, federal and local issues.

Until now, no single professional services firm has been able to provide a full-service, 50-state, public policy and advocacy solution for clients. The broad array of public policy challenges faced by national and global businesses—challenges that often cross state lines and become national in scope—is unprecedented.

Dentons 50 offers a one-stop resource with local expertise to ensure effective management of policy initiatives and engagement with policy makers in every statehouse in the United States.
