Overview

John Kim is a member of Dentons' Capital Markets practice.

His experience includes commercial and residential mortgage-backed securities, primarily focusing on commercial and multifamily mortgage loan securitizations and franchise loan securitizations.

He also assists clients with other asset-related securities, such as real estate-backed collateral debt obligations, receivables securitizations and various off-balance sheet financing transactions.

Experience

- Represented various investment banking firms, including issuers and underwriters, loan sellers and bond insurers, among other capacities, in domestic and offshore public offerings and private placements of pass-through certificates and debt securities.

Activities and Affiliations

Prior and Present Employment

John was formerly with the law firm of Thacher Proffitt & Wood LLP.
