Overview

Joseph is an associate in the Corporate department of our London office. He advises on a range of private and public corporate transactions, with a particular focus on private M&A, private equity and venture capital. His experience includes advising clients in the technology, sport, manufacturing and corporate real estate sectors.

Joseph has previously spent time working in the legal markets in San Francisco and Beijing.

Recognition

Clients have noted: "Joe is unwaveringly positive and calm – his knowledge and experience far exceeds his qualification levels. The person you want on your team to get the deal done" and "Joe was instrumental in supporting our negotiations and deal closures of our two latest investment rounds. Joe was able to understand the complexities and politics of each round. What made Joe unique in my mind is his ability to explain to the executives the key issues that needed clarity in order to facilitate a deal" (*Legal 500*).
