Overview

Kate Bosman is a Senior Associate in the Dentons Mauritius office. She is a member of the corporate advisory team, but will also be assisting with business development for the firm.

Kate has been involved in the listing space for a number of years, managing the listing of various companies on the Stock Exchange of Mauritius (mostly dual listed on the Johannesburg Stock Exchange and others), assisting on their continuing obligations, and managing these entities' corporate secretarial work. She has varied experience from working in the legal field in Mauritius since 2008, from setting up and running the NGO SPEAK Human Rights & Environmental Initiative for a number of years, to working on various property-related projects (particularly under the IRS and RES schemes), and most recently, working for three years at a Global Advisory, Corporate and Trustee Firm based in Mauritius.
