## Overview

Lucie Kubíniová is an associate and a member of the Corporate group in Dentons' Prague office. She focuses her practice on M&A, corporate law as well as banking and finance.

## Experience

- **BPD / Draslovka Holding:** Advising on its agreement to acquire the mining solutions business (Chemours Mining Solutions) from NYSE-listed The Chemours Company for \$520 million, including Term Loan B financing.
- **BPD / Draslovka Holding:** Advising on its agreement to acquire the sodium cyanide business from JSE-listed petrochemicals giant Sasol. The value of the deal is over US\$95 million.
- **Gobii Europe:** Advising on the establishment of a joint venture with ČSOB Group. The joint venture called Igloo will bring the revolutionary technology solution to the Czech real estate market.
- **Sev.en Energy:** Advising on the acquisition of the Počerady power plant from the energy group ČEZ. With a capacity of 1000 MW, Počerady is the largest coal-fired energy generating plant in the Czech Republic.
- **MND/KKCG:** Advising on potential acquisition of Innogy Ceska republika, the largest incumbent gas retail retailer in the Czech Republic, from RWE Group in a tender process.
- **Multinational group:** Advising on contemplated acquisition of a CEE waste treatment group.

Representative experience from Lucie's previous practice includes:

- **European sugar factory:** Advising on the acquisition of European sugar factory via an asset deal.
- **International games distributor and publisher:** Advising on the acquisition of European board games and related gaming products distributor by leading international games distributor and publisher.
- **Leading European video and PC game developer:** Advising on the sale of leading European video and PC game developer to leading global video game publishing and developing company.

- **Major Czech investor:** Advising on the sale of multipurpose and concert hall operator co-owned by major Czech investor to international developer company.
- Representing clients on both sell and buy side in relation to various share and asset deals and related post-closing matters.
- General advice on private issuance of bonds to multiple Czech corporate clients.
- General advice on comprehensive audits focused on compliance with privacy and personal data protection regulations including implementation of GDPR.
