Overview

Margeaux Plaisted is a Senior Managing Director in Dentons' Public Policy practice. She specializes in legislative, regulatory and public policy at the federal level. Within this field, she has specific focus on financial services, health care, energy, appropriations and tax issues.

Insights

- Co-author, "House sends US\$2 trillion in Economic Aid Package to the President to sign," Dentons client alert, March 27, 2020

Activities and Affiliations

Prior and Present Employment

Prior to joining Dentons, Margeaux served in the Office of Legislative Affairs for President George W. Bush.

In this role she worked directly with members of Congress and their staffs as part of the White House liaison team and was responsible for drafting the weekly legislative report to the president.

She previously worked for U.S. Representative Jim Ramstad (R-MN).
