Overview

Michael is a member of Dentons' **Venture Technology and Emerging Growth Companies** practice. His practice focuses on assisting clients on a wide range of corporate matters, including mergers and acquisitions, venture capital transactions, general contract negotiation, and general corporate advice.

Michael represents clients varying from small startups to large companies and has experience in a broad range of sectors, including technology, fintech, ecommerce, retail and consumer products and mining. In addition to regularly representing clients in public and private company M&A transactions, and venture capital and private company financings, Michael has experience with equity capital market transactions, including SPAC IPOs and PIPEs.

Prior to joining Dentons, Michael was an associate at two leading law firms in Toronto, Canada.
