Overview

Nir Assido is a partner at Dentons and a member of the Global Real Estate, Banking and Finance and Energy practice groups. He has extensive experience and expertise in financing and real estate transactions, including cross-border and syndicated projects.

Nir represents financial institutions, public companies and private equity investors in financing, M&A and joint venture transactions in a range of sectors including real estate, energy, infrastructure, manufacturing, services and venture capital in numerous jurisdictions worldwide.

Experience

- Representing international real estate investors and developers in numerous cross-border acquisition, development, construction and financing projects
- Acting for banks and financial institutions on a range of international financings.
- Advising energy and infrastructure funds, investors and developers on all types of energy projects, M&A and project finance transactions worldwide.
- Advising companies from the manufacturing sector on international project and asset finance transactions.
