Overview

Noah Walters (He/Him/His) is an associate in the Banking and Finance group at Dentons. His practice involves representing blockchain, FinTech and other emerging technology companies on financing and regulatory matters.

Prior to joining Dentons Noah co-founded two technology businesses where he held roles as Head of Sales and CEO respectively. Noah's experience with technology and corporate strategy not only allows him to grasp a deeper understanding of clients' business, but also gives clients' the benefit of his practical insight into how their business can best achieve its objectives.

Noah joined Dentons as a summer student in 2019 and articulated with the Firm in 2020.

Recognition

- 1st Class Dean's Honour List, Queen's University, Oct 2014 - 2016
