Overview

Roman Mehedynyuk is an associate in Dentons' Kyiv office. In addition to his extensive experience in due diligence investigations, Roman regularly advises clients on corporate, M&A and securities transactions. He also provides advice with regard to the registration of corporate entities, establishment of joint ventures in Ukraine, and employment matters. Roman has been extensively involved in various real estate and infrastructure projects. He participates in commercial and real estate disputes and cases involving the recognition and enforcement of foreign arbitral awards in Ukraine.
