Overview

Sadaf heads up the tier 1 ranked Banking and Finance team in Muscat and has more than 15 years' experience in restructuring and finance work. She previously spent some time in-house on secondment to a leading international bank in Edinburgh.

Sadaf works alongside both lenders and borrowers in advising on security issues and options, enforcement (both solvent and insolvent routes) and commercial lending and borrowing and has also advised on a number of the landmark debt capital markets transactions from the Sultanate.

She has broad experience in acting on both local and international deals and advising banks, businesses, shareholders and other stakeholders in relation to business restructurings and financing issues involving a variety of sectors from hotel and leisure to oil and gas as well as many international companies and financial institutions considering doing business in Oman.

Sadaf also heads up the Islamic Finance initiative for the Oman office and has been awarded "leading individual" status by *The Legal 500* directory for her work in Oman.
