

Overview

Welcome to our Pro Bono hub which hosts the legal resources Dentons has created to support charities, NGOs and other not-for-profit organizations, across the world. Dentons professionals have been engaged in a wide variety of pro bono legal matters related to COVID-19 – some of which are covered in the Dentons response feature below. Dentons offices are also proud to be involved in Legal Solidarity to provide free legal advice to people in need, non-profits, social enterprises, and charities.

We welcome inquiries in case you are looking for pro bono support and think that we can help. Inquiries will be assessed on a case-by-case basis in accordance with our pro bono policy and other relevant criteria. Send any of the contacts listed right your full contact details and a brief description of the support you require and we will confirm whether or not we are able to assist.
