Overview

Shoushuang (David) Li is a senior partner at Dentons, and works mainly with investment funds, capital markets and M&A. He has represented many multinational companies and international financial institutions in over 20 RMB private equity fund formations. He has also represented international or local leading private equity funds in over 50 investment agreements. David advised issuers or underwriters in three overseas IPOs and two A-share markets IPOs or secondary public offerings. He has particular experience in advising Chinese companies in the establishment of offshore corporate structures.

For his work, he has been recognized as a "Top 15 Rising Lawyers in China in 2013" (ALB); a "Top 10 young lawyers in Beijing" (Beijing Lawyer Association); a "Leading Lawyer in private equity in 2013" (IFLR) and one of the "Leading Lawyers in Beijing" (Beijing Lawyer's Association).

Experience
