Overview

Stephen Shergold is a partner in the Environment and Natural Resources team at Dentons. The team is top ranked for environmental law in both *Chambers* and *Legal 500*. Specializing in environment and health and safety law, Stephen advises clients on incident response, day-to-day compliance matters and liability risk management. He regularly advises on pollution liability regimes, process authorizations and environmental permitting, waste law, renewable energy law, international climate change mechanisms, resource efficiency mechanisms, nuisance and negligence, habitat protection, health and safety law and product liability. Stephen's practice has a particular focus on the waste, oil and gas (upstream and downstream), mining, land remediation, clean-tech, chemical, insurance, and power sectors. In addition to advising private companies, Stephen has specific expertise in drafting regulatory frameworks and statutory instruments in both the EU and emerging markets.

Recognition

- He is recognized as a Band One Leader in the field of Environmental Law by the Chambers Guide to the Legal Profession.
