Overview

Stuart is a partner in the Banking & Finance practice, advising on transactions across the UK and internationally.

He has specific experience in advising on all types of corporate banking transactions including International Acquisition/Leveraged Finance, Oil & Gas Financing, Renewable Energy Financing, Project Finance, Technology and Growth Finance, Real Estate Investment and Development Financing, Joint Venture Funding, and General Corporate Debt.

Stuart's experience in acting for a wide range of banks, other funders and investors, and corporate borrowers, as well as having completed secondments in the banking industry, gives him a detailed knowledge of clients' preferred requirements and an ability to provide clear, commercial and proactive advice.

Stuart has recently acted for Aviva, Bank of America, Bank of Scotland, Barclays Bank, Clydesdale Bank, DVB Bank, HSBC Bank, Lloyds Bank, a leading international bank, Santander, The Scottish Loan Fund, Silicon Valley Bank, Aberdeen Asset Management plc, Aberdeen Private Equity Fund, AGR Group, Baxters Food Group, Biofilm Limited, British Polythene Industries plc, Burn Stewart Distillers, The Combination of Rothes Distillers, Devro plc, Edinburgh Investment Trust plc, The Edinburgh Woollen Mill Group, The Edrington Group, Maven Capital Partners, Muirden Energy, Robert Wiseman Dairies, Robertson Group, Scottish Equity Partners, and Scottish Enterprise.
