

Communication and operational challenges under operating agreements in the age of COVID-19

Date and time:

Start: April 8, 2020, 11:00 AM MDT

End: April 8, 2020, 12:00 PM MDT

Dentons' Hazel Saffery, Matthew Potts and Gordon Tarnowsky presented a webinar on **Communication and operational challenges under operating agreements in the age of COVID-19**, addressing the unique challenges to businesses, particularly those operating in Alberta's oil and gas industry, and how to navigate these challenges.

This webinar also addressed issues relating to force majeure, notice requirements, disruption to operations, challenges to operatorship, disputes and transactional concerns.
