

# US Bankruptcy Procedure: What Insurers Should Know

## Date and time:

**Start:** April 22, 2021, 11:00 AM CDT

**End:** April 22, 2021, 12:00 PM CDT

Pandemic-related supply chain and business disruptions have affected numerous industries and, in particular, restaurants, retailers, entertainment companies, real estate firms and oil and gas ventures. While recent governmental relief has been credited with reducing bankruptcy filings during the first quarter of 2021, there is the prospect that 2021 will witness an increase in bankruptcy filings similar to 2020 if coronavirus-related shutdowns continue. Our panel will explore what insurance companies should know when an insured or an insured transaction ends up in bankruptcy.
