

Dentons Dialogue: US Policy Perspectives | State of Politics

Date and time:

Start: January 22, 2021, 3:00 PM EST

End: January 22, 2021, 4:00 PM EST

Thank you for joining Dentons' Public Policy team as we kicked off Dentons Dialogue: a new series of dynamic conversations breaking down front burner policy issues around the US.

During this Dentons Dialogue segment, our experienced bipartisan political leaders examined the state of politics nationwide and trends that may emerge going forward. This timely discussion will take place just two days after the Inauguration of Joe Biden as the 46th President of the United States and the week the Democrats takeover the majority in the US Senate.

If you were unable to join the program, not to worry—we recorded it.

Dentons Dialogue follows the release of our annual US Policy Scan report, a clear, comprehensive and reader-friendly view of what US public policy will look like in 2021 and the people who will be driving change.
