

Dentons announces collaboration with litigation practice Yaqdhan Al Busaidi Law Firm

July 8, 2019

Muscat —Dentons is pleased to share some exciting new developments in our litigation and broader dispute resolution offering.

Working with an outstanding young Omani advocate, Yaqdhan Al Busaidi, we are delighted to announce that a new dedicated litigation practice has been established, licenced with the Ministry of Justice as Yaqdhan Al Busaidi Law Firm under number 2822019.

Yaqdhan Al Busaidi Law Firm will operate seamlessly with Dentons to provide fully integrated legal services and representation before the Oman courts on behalf of Dentons' clients. This new future focused litigation practice will take the best that Dentons has to offer and its exceptional track record for quality and delivering results, with the best up-and-coming Omani litigation talent. Expect to also see this association with Yaqdhan Al Busaidi Law Firm deliver new technology and legal innovation, drawing from Dentons' vast network of offices and Next Law Ventures, to transform how dispute resolution services are delivered to Dentons' clients in Oman and the region.

To effect this fresh start and exciting new venture and to reflect a new partner at the helm, S&A Law Firm is being wound down and clients and matters are being transferred to Dentons and Yaqdhan Al Busaidi Law Firm to ensure continuity of service. Our clients will still continue to receive the support of our best talent from S&A Law Firm who will now transfer over to Yaqdhan Al Busaidi Law Firm.

For any comments or queries, please do not hesitate to contact Yaqdhan Al Busaidi.

About Dentons

Dentons is the world's largest law firm, delivering quality and value to clients around the globe. Dentons is a leader on the Acritas Global Elite Brand Index, a BTI Client Service 30 Award winner and recognized by prominent business and legal publications for its innovations in client service, including founding Nextlaw Enterprise, Dentons' wholly owned subsidiary of innovation, advisory and technology operating units. Dentons' polycentric approach, commitment to inclusion and diversity and world-class talent challenge the status quo to advance client interests in the communities in which we live and work. www.dentons.com.
