

# Lexpert recognizes 11 Dentons lawyers as leading cross-border lawyers in Canada

June 17, 2019

Dentons is proud to congratulate 11 lawyers who have been recognized as leading lawyers in the *2019 Lexpert® Guide to US/Canada Cross-Border Lawyers in Canada*.

The Guide profiles peer-ranked lawyers who have been recognized in *The Canadian Legal Lexpert Directory* as “Most Frequently Recommended”—the highest level possible—in a variety of the *Lexpert* practice area rankings, and whose practices consist of at least 25 percent cross-border mandates. The guide categorizes these Canadian lawyers into focus sections of relevance to US counsel and executives, including: Business Issues, Dispute Resolution, Financing, Insolvency, IP and Media, Labour/Employment, M&A, Regulatory, Tax and Trade.

This recognition is a reflection of the extensive experience our lawyers possess, allowing them to provide trusted judgment and insight when developing the customized strategies their clients need. With talent on both sides of the border, Dentons’ network reinforces the Firm’s cross-border capabilities and commitment to providing clients with a competitive edge that is crucial to successfully completing a deal, resolving a dispute or solving a business challenge.
