

Dentons lawyers get recognized in the *Lexpert Special Edition: Technology 2020*

May 13, 2020

Dentons is proud to congratulate 12 of our partners who are recognized as leading lawyers in the *Lexpert Special Edition: Technology 2020*.

Lexpert-ranked lawyers were selected for inclusion in this issue based on their impressive knowledge and extensive experience in advising technology clients across a number of practice areas, including Computer and IT Law, Technology Transactions, Telecommunications, Immigration, Intellectual Property, Litigation–Intellectual Property, Corporate Tax, Corporate Mid-Market, Banking and Financial Institutions, and Insolvency and Financial Restructuring.

The high-caliber Dentons lawyers recognized in this special edition are:

- Michael G. Beairsto
- Henry J. Chang
- Jay Duffield
- Thomas A. Houston
- Andrea C. Johnson
- Gregory Kane, Q.C.
- David P. Little
- Margot Patterson
- Thomas F. Reaume
- Tom A. Sides
- Y. Monica Song
- David Wotherspoon

Across Canada, the team advises investors, accelerators, venture capital funds, entrepreneurs, startups, established domestic and multi-national businesses, government agencies and Crown corporations, as well as academic and health institutions in the creation, acquisition, use and commercial exploitation of technology and associated intellectual property. The Dentons Canada Startup Program offers a compelling full service legal advice program for early stage companies. For more information on our team, please visit Dentons' website and Dentons' ventureBeyond.

The *Lexpert Special Edition: Technology* features articles on current trends and events in the industry, including

interviews of *Lexpert*-ranked lawyers who provide services in these areas. Included in these articles were insightful comments from Panagiota Dafniotis in "How AI is Changing the World" and Kirsten Thompson in "How Technology is Reshaping Privacy."
