

Dentons advises Dynamic Risk in connection with its sale to Eddyfi/NDT

April 14, 2021

Eddyfi/NDT, a private industrial technology group, recently announced the acquisition of Calgary-based Dynamic Risk Assessment Systems Inc. (Dynamic Risk), a market leader in providing technology-enabled integrity risk management and compliance services and software to the energy sector. The addition of Dynamic Risk will enable them to expand in the value chain and to bridge the gap between data generation and integrity management insights.

Dentons advised Dynamic Risk in this transaction with a team that included Leah Tolton, Sarat Maharaj, Keith Hennel, Danny Wakeling, Nadia Haymour, Kaelyn MacGillivray and Rachel Macklin.

For more information, read the press release published by Eddyfi/NDT on March 31, 2021.
