

Dentons earns top marks in Human Rights Campaign's 2021 Corporate Equality Index

January 29, 2021

Dentons, the world's largest law firm, announced today that it received a perfect score on the Human Rights Campaign Foundation's 2021 Corporate Equality Index (CEI), the nation's foremost benchmarking survey and report measuring corporate policies and practices related to LGBTQ+ workplace equality. This is the ninth consecutive year that Dentons has satisfied all of the CEI's criteria to earn a 100 percent ranking and the designation as one of the "Best Places to Work for LGBTQ Equality."

The CEI rates employers providing crucial protections to more than 18 million US workers and an additional 17 million abroad. Dentons is one of 767 major US businesses that earned top marks this year. Companies rated in the CEI include *Fortune* magazine's 500 largest publicly traded businesses, *American Lawyer* magazine's top 200 revenue-grossing law firms (AmLaw 200) and hundreds of publicly and privately held mid-sized to large businesses.
