

## Band 1 ranking and strong client praise for our Trusts, Estates and Wealth Preservation Group in *Chambers Canada* 2016

October 22, 2015

Further to our announcement about our excellent results and positive client feedback in the inaugural edition of *Chambers Canada*, Dentons is pleased to congratulate our Trusts, Estates and Wealth Preservation Group on receiving the highest Band 1 ranking in this renowned client guide.

Our clients praised our team for delivering seamless cross-border service, and being "a top choice for high net worth individuals, families and trust companies seeking complex trust and estate advice." It was also noted that our group is "well regarded for its contentious trust offering, advising on a growing volume of estate litigation matters."

Our dedicated trusts and estates lawyers—described in *Chambers Canada* 2016 as "wonderful people to work with"—were commended for their capability, sound judgement and excellent reputation. According to our clients, "they are knowledgeable, have good judgement and have expertise in the area of trusts and estates."

Congratulations to all members of our Band 1 practice group—this is an outstanding achievement. For the complete Dentons listing, please visit the Chambers website.
