

Dentons wins five awards in the *Client Choice Awards 2017*

February 10, 2017

Dentons is delighted to announce that five of our lawyers have been recognized in this year's *Client Choice Awards 2017*:

- David Masson for IP: Trademarks – France
- Dzhangar Dzhaltchinov for Corporate Tax – Russia
- István Réczicza for Litigation – Hungary
- Michael G Beairsto for IT & Internet - Canada: Ontario
- William (Bill) Jenkins for M&A - Canada: Alberta

Unlike many other awards, the *Client Choice Awards* only accept nominations from corporate counsel, so our success in these awards is a testament to the world class service and great client relationships that our lawyers have built up. The main criteria for this recognition is an ability to add real value to clients' business above and beyond the other players in the market. Client Choice called Dentons "a worthy winner based on excellent reviews from clients".

Established in 2005, Client Choice recognizes those law firms and partners around the world that stand apart for the excellent client care they provide and the quality of their service. The awards are organized on an annual basis by the International Law Office and Lexology. This year, the awards gathered over 2,500 nominations.
