

# Article: Edward V. Marshall, Global Head of Family Office at Dentons

April 13, 2021

Dentons, the world's largest law firm, recently appointed Edward V. Marshall as global head of its Family Office and High Net Worth (HNW) group. Edward Marshall has long been on the cutting edge of HNW service, with experience at several financial services firms, where his family office podcast was a must-hear for HNWIs and those that serve them. He has since launched a new podcast to cater to this space called Family Office Intel. Reputations Communications checked in with Edward to catch up on the state of HNW risk and opportunities.
