Overview

Yvan Ping is a senior partner Dentons and has acted as legal counsel for many financial institutions, large state-owned enterprises, private enterprises and foreign funded enterprises. He has handled matters in industries including finance, security, high tech, mining, energy, transportation, military industry, medical chemistry, agriculture, real estate and international trade.

Yvan has represented clients in areas such as foundations, reorganizations, investment and financial bonds, as well as providing perennial legal service for numerous financial institutions. He possesses deep experience in fund establishment, fundraising and investment of venture capital and private equity, initial public offerings (IPOs), refunding of listing companies and listing on the National Equities Exchange and Quotations. In addition, he has experience with reformation, recombination, investment, financing and M&A for large state-owned enterprises.

Experience

- China Metallurgical Group Corporation's acquisition of Guangzhou Baiyunshan Group Financing Company
- Establishment and operation of risk investment bonds and stock right investment reserves of China Life Insurance Capital Investment Management limited company
- Reorganizations, mergers acquisitions and restructurings for numerous companies, including China Chengtong Holding Group Co., Ltd.
- China International Capital Corporation Ltd's establishment of Zhongjin Qianhai Development Fund
- Refinancing of Chengtun Mining Group Co., Ltd., including a non-public offering, company bond issuance and short-term financing bond issuance
