Dario Valoncini heads the Foreign Direct Investment department at the Italian Trade Agency in Canada where he facilitates investments and establishment of Canadian companies and firms in Italy. Dario is a legal consultant, his experience includes providing assistance in the acquisition and disposal of businesses with a focus on cross-border transactions and general corporate and restructuring matters. Working for international law firms, Dario assisted a range of international clients in connection to commercial and real estate investment opportunities. Dario holds a Juris Doctor (J.D.) from the University of Milan and more recently received a Masters in Law (LL.M.) from the University of Toronto. Dario also studied abroad at Peking University (China) and the University of Tübingen (Germany) taking Law courses in the subject of Business Law in German. He is in the process of getting qualified as a lawyer in Ontario in order to provide his expertise to international clients in both Common Law and Civil Law jurisdictions.
