glciciretto@bdo.ca

Luigi Ciciretto is a partner in BDO's Assurance & Accounting practice and has over 17 years of professional experience serving private companies of all sizes as well as subsidiaries of international entities.

Over the course of his career, Luigi has provided audit and advisory services as well as internal control assurance services to various clients across several industries, including manufacturing, real estate, retail and consumer business, and technology. As part of his client service responsibilities and his involvement in various programs aimed at private companies, Luigi has advised his clients on matters such as complex accounting transactions, financial reporting, business strategy and operations.

Luigi is actively involved with the Vaughan Chamber of Commerce where he is Chair of the Board of Directors.
