

Christelle Destors Lepoutre

Investment Director, Vauban Infrastructure Partners

With over 20 years of experience, Christelle has a strong expertise in PPP and concession transactions across various sectors (transport, social, telecom). She has been involved in all the various milestones of the infrastructure funds management, leading origination, negotiation, execution of equity investments. She is also involved in the asset management of the funds holdings as board member and has participated in the structuring and development of Vauban Infrastructure Partners' Funds. She has both lead various greenfield projects in France and has also managed brownfield acquisition deals in Europe. Prior to joining Vauban Infrastructure Partners, Christelle worked in both London and Paris in the fixed income markets as well as in risk management: she has been in charge of a team of buy side credit analysts and worked as a fixed income asset manager (bonds, credit and covered bonds) with Amundi and Natixis group.
