7:45–8:00 a.m.	Welcome and opening remarks	Jodi Adolf , Dentons Bruce Baty , Dentons
8:00–9:00 a.m.	Ethics for Inside Counsel Even well-respected corporate lawyers and legal departments find themselves in civil, criminal, and ethical peril. While some of these cases have generated media attention, many have been surprisingly under-reported. This program looks at what happened, what it means for your in-house department, as well as how similar risks can be better managed in the future.	John Koski , Dentons
9:00–9:30 a.m.	InsurTech The very nature of the business of insurance is transforming, driven by technological advancements and socio-economic trends. Emerging technologies—like big data, the Internet of Things (IoT), mobile technology, artificial intelligence (AI), wearable devices and blockchain—are revolutionizing the insurance industry and changing consumer expectations and preferences. On this panel, we look at what's here, what's coming and what it all means for your business.	Jodi Adolf , Dentons Eric Cowan , Dentons Martin Mankabady , Dentons UK Scott Morris , National Association of Insurance Commissioners
